Dear parents,

Thank you for allowing your child to participate in the Love-to-Run (L2R) training program.

We are all aware of the media reports of the health and obesity challenge faced by the youngest members of our society today. It is our hope that this program will help make a difference in the lives of children in the greater Green Bay area.

REGISTRATION: In return for your child’s commitment to train for the May 15th Cellcom Mini Marathon, we are pleased to offer **FREE REGISTRATION** to him or her. This registration must be processed online through a computer. To process the entry, go to www.cellcomgreenbaymarathon.com, select the Registration link and **use the promo code “L2RKID.”** After that, you will not need to provide credit card information unless you purchase extras such as commemorative newspaper prints, pasta dinner tickets or Packers Hall of Fame tickets. To ensure that we have enough t-shirts for all participants, please register your child prior to May 1st. **ADVANCE REGISTRATION WILL CLOSE AT MIDNIGHT ON SUNDAY, MAY 10TH.** Although we cannot offer free registration to the entire family, we hope many of you will consider participating with your child!

PACKET PICK UP:

Ongoing registration and packet pick up for pre-registered participants will be available in the Lambeau Field Atrium on Friday, May 14th from 3 pm until 7 pm. Race day packet pick up will take place under a large tent directly in front of the Lambeau Field Atrium from 7 am until 8:30 am on Saturday, May 15, 2010. Race day registration will take place at the same time inside the Atrium.

Thank you for helping make a difference in the life of your child!

Sincerely,

Sean Ryan
Race Director
