Registration Opens for the Cellcom Green Bay Marathon

Green Bay, Wis. (October 1, 2009) · Marathon weekend is eight months away, but registration is now open for the 2010 Cellcom Green Bay Marathon. Runners and walkers can register for the full, half or relay marathons on the [marathon's website](http://www.cellcomgreenbaymarathon.com). Registration for the 5K and WPS Kids Run will open on December 1.

Historically, we have always opened registration for all events on December 1. At the urging of participants who want to commit well in advance, we are opening marathon registrations earlier this year, said Sean Ryan, race director for the Cellcom Green Bay Marathon.

Registration for the half marathon and 5k will be capped at 4,500 participants each.

The Cellcom Green Bay Marathon will take place May 14-16, 2010. The Cellcom Green Bay Marathon seeks to create community spirit through a world-class marathon for people of all abilities. To learn more, visit www.cellcomgreenbaymarathon.com.
