

Participants who are already registered can transfer their registration to a virtual and receive their bib, medal and t-shirt and complete their miles safely on their own. Participants who do not wish to complete the virtual option can choose to defer their entry to the 2021 Cellcom Green Bay Marathon. To select one of these options, please do the following:

1. **Find your confirmation email.** If you do not have your confirmation email, click [here](#) to have the email re-sent to you.
2. On your confirmation email, **select the EDIT REGISTRATION button** on the bottom of the email.
3. **To participate in the virtual run, select “Change Categories” and choose the virtual race.** Please be sure to review your mailing address so your race packet and swag is sent to the correct address. The transfer deadline is Monday, April 20 at midnight.
4. **To defer your entry to 2021, select “Defer Registration”.** This will transfer your information to the 2021 event. The deadline to defer is Monday, April 20 at midnight.

If you do not wish to defer or participate in the virtual event and do not select either option, your registration fee will put toward covering expenses of the Cellcom Green Bay Marathon 501©3 organization. Our organization continues to work with charity partners including the Greater Green Bay Habitat for Humanity and the Greater Green Bay YMCA Full Circle program and while this year has us working through uncertainty in our own world, our mission includes giving proceeds to local charities. We appreciate your trust in us that your dollars will be used to continue the good works of our organization. This option will be automatically completed for anyone who does not take action on their registration by Monday, April 20.

Thank you for your patience and support as we navigate this pandemic together. From a distance, we run together!
